## RESIDENCE

Sisters of religious orders not staying in convents of their respective orders in Windsor, should write for accommodation to Sister John Thomas, Holy Names College, 265 Patricia Road; other women and men should contact the Director of Extension, Assumption University of Windsor, 400 Huron Line—well in advance of registration.

## GENERAL INFORMATION

Two full courses or the equivalent in half courses is the maximum permitted any student in any one summer session. A student who is employed may not attempt more than one full course or two half-courses in any one summer session. Only *one* Science course may be taken.

A candidate for a degree must attend classes at Assumption for two academic years, or for one academic year and two summer sessions, or for five summer sessions. This requirement is reduced to a minimum of one winter session (full time) or three summer sessions by the transfer of credit from an approved college or university.

The Summer School reserves the right to cancel any course in which fewer than twelve students register, and to make such changes in timetables as circumstances may require.

Students may obtain reduced fares on railways by asking for a "Standard Convention Certificate" which must be endorsed by the Registrar.
